### Payment/Cancellation Policy:

50% deposit or payment in full holds your spot. Workshops have a limited number of participants and are very popular. If a workshop is full, ask to be placed on the waiting list. You never know if something opens up last minute. Full payment is due two weeks before an event and is non-refundable, unless the workshop is canceled due to severe weather. For winter events, the instructor and host will make the decision to cancel 24 hrs. in advance. For winter workshops with horses, if the daytime high temperature is forecast to be below 20 degrees fahrenheit, we will cancel the workshop. Otherwise, dress for the weather!
